

As parents, we always want the best education possible for our child but what happens when.....

- a) our child is just not learning at the same pace as others?
 - b) we are told that our child has a learning disability?
 - c) people say that our child can learn **but** is just lazy?
- etc etc

Is what we are doing for our child always right?

Here's what one mum has to say:

No. 06-7-10

各位家长大家好!

我高兴能来和大家分享我对孩子(Wei Hern)的感觉和喜怒哀乐,首先在这里要说声感谢 starjump 的导师 Joyce moi 在这两年多之来对我的孩子爱与关怀教导他也实到他课业、思想、观念、自尊心一起建立起来,我也很感激 Joyce 无限的力量来帮助我这位母亲。

我和天地下的妈妈都是一样望子成龍和计划好的教育到大学,孩子在幼儿和一半孩子是一样到了幼儿园有点怪到了小学(华小)问题来了每天回来做作业簿是空白的,后来老师提意我们带孩子去见医生,医生说孩子有「读写障碍」当时我的内心是多么悲伤也埋怨上天给我两个玩笑真得那时是没有能力接收这件事可是又如和呢?时间一天一天的过去我也同时学会去接收他的问题了同时也去找资料帮助他在学业、在另一方面也去培育他有好思维和制度。

孩子去年毕业了!可是成绩不理想那今年我就^送他去 Home School 他很喜欢有一天他对我说妈妈:「你知道吗?我在华小六年里很不开心和自卑当时的我心里有点难过可是我也很开心孩子会对我说出他心里话,回想过去十三年里我这个妈妈没有体谅、感受他的心。到今我也明白俗语说:「天生我才必有用这句话的真真道理,我也学会每个孩子都有他们的优点,不知孩子要学对从我这个平凡的母亲跟加要学活到老学到老在这时代。

在此祝所有 starjump 的母亲们快乐、愉快也在次的谢谢 Joyce moi 让我以中文写这强稿。

孩子: 晔恒
妈妈: shay

STARJUMP KIDS GALLERY - Contributions from Malaysia. Kids, please keep your contributions coming OK?

Self-Awareness: God made all of us different and we all have strengths and weaknesses. What is important is to look at our strengths and feel good about it. Here are a list of things that Kar Marn does well over her peers which she is *and* is proud of:

我的好处

每个人都有好处。让我们瞧瞧我的好处。

我的好处是写作文、唱歌、表演手语与写歌词。自从我一年级,开始学唱歌,学唱歌的地方是附近马六甲培风华中学。老师循循善诱,一心一意地教我。

接下来是手语。四年级开始学手语至五年级,同学们赞我表演得一及棒!令我很开心!

Thinking in pictures: Kah How loves drawing and behind each drawing he holds in his mind a story. Below is just one of them.

Kah How's bun factory

This is a picture of a kitchen making buns.

There are many types of buns in this kitchen.

There are eight people in the picture.

Five of them are from the kitchen.

The other three people are here to buy the buns but 1 of them did not like the buns so he did not buy any.
